**Weekly individual task reports are due no later than 12:00 p.m.**

<b>Project Information</b>		
<b>Project Name</b>	MAVRIC	
<b>Team name</b>	Electrical Team	
<b>Your Name</b>	Alex Vande Loo	
<b>Week Number</b>	9	
<b>Individual Status Report</b>		
My tasks are currently:	On Track	

Please put any comments below on your status with your tasks.

This week I helped with setting up some of the final wiring for the E-Box. I also looked up information on slip rings and different servos that we would potentially use for the camera mount.
