

M:2:I Individual Task Report

Weekly individual task reports are due no later than 12:00 p.m.

Project Information		
Project Name	MAVRIC	
Team name	Electrical Team	
Your Name	Alex Vande Loo	
Week Number	6	
Individual Status Report		
My tasks are currently:	On Track	

Please put any comments below on your status with your tasks.

This week I finished soldering connectors and met with my team again. We have started to get the wiring done for the rover and make sure that the code is working as we want it to. I also helped to look up communications and power requirements that we will need for many of the navigation and science devices.
