Project Information		
Project Name	MAVRIC	
Team name	Electrical Team	
Your Name	Alex Vande Loo	
Week Number	5	
Individual Status Report		
My tasks are currently:	On Track	

Please put any comments below on your status with your tasks.

This week I met with my team to discuss the future tasks we will have. Many of these will be dictated by the mechanical components being available. I was able to solder many of the connectors onto relays. I also familiarized myself with more of the electrical components we will be working with in upcoming weeks.
