Project Name	MAVRIC	
Team name	Electrical Team	
Your Name	Alex Vande Loo	
Week Number	4	
Individual Status Report		
My tasks are currently:	On Track	

Please put any comments below on your status with your tasks.

This week I met with my team again. I researched items for us to order and information on them, such as the connectors for the fans and extensions for those so that we can solder onto them. We also discussed what has to be done for the upcoming weeks and reported in to make sure everyone understood their jobs.
