

M:2:I Individual Task Report

Weekly individual task reports are due no later than 12:00 p.m.

Project Information		
Project Name	MAVERIC	
Team name	Science Team	
Your Name	Colin Firth	
Week Number	6	
Individual Status Report		
My tasks are currently:	On Track	

Please put any comments below on your status with your tasks.

On Saturday, Josh and I went out to excavate some soil to test our soil extraction system. The ground was too frozen to dig so we went back to the lab and helped out on putting together the arm. The soil task was pushed back a week. On Thursday we discussed what we will be doing this Saturday, I was assigned to go and get soil again, this time I will be going to the Agricultural Department to ask for soil.
