

M:2:I Individual Task Report

Weekly individual task reports are due no later than 12:00 p.m.

Project Information		
Project Name	MAVRIC	
Team name	Electrical Team	
Your Name	Alex Vande Loo	
Week Number	7	
Individual Status Report		
My tasks are currently:	On Track	

Please put any comments below on your status with your tasks.

This week my team connected the wiring for the rover. I helped when we were doing testing. We tested to make sure all the motors were turning the correct way. We found that two of them were reversed so I helped to desolder the connections and then reconnect them and retest to make sure that everything was set correctly.
